Director of Operations
David M. Rosenthal

Dear Special Friend,

The 32-year-old Crown Prince of Saudi Arabia recently made an astonishing announcement to the world. He plans to build a massive global center – a city-state named NEOM – which is intended to unite the world as an international hub for trade and commerce.

At a cost of more than \$500 billion, this new, hi-tech city-state will be the size of a small country and will be built south of Israel along the Gulf of Aqaba. Its strategic land area will include portions of Saudi Arabia, Jordan, and Egypt – including a 9-mile bridge which will span the Red Sea connecting Saudi Arabia to the Sinai Peninsula.

Just a few days ago, my son David gave an eye-opening geo-biblical presentation on this subject at one of our Open Bible Studio Electives here at our ministry headquarters. Using maps and computer graphics, he provided a detailed explanation of the staggering new developments taking place across the Middle East.

FREE WITH YOUR DONATION

As a gesture of sincere appreciation for your end-of-year ministry donation, I would like to send you an insightful new DVD entitled ***Israel, Arabia, and the New City of NEOM***.

If you haven't heard about NEOM, I encourage you to get this new DVD and watch and listen to it carefully. The details are truly astounding. David explores the plausible prophetic implications of this future city-state and its possible connection to prophecy detailed in Revelation 17 & 18 regarding *Mystery, Babylon the Great, the Mother of Harlots and Abominations of the Earth*. These chapters describe, in detail, the destruction of a religious and economic city in the last days.

You won't get this kind of insight from the national media. I assure you that you'll gain a greater understanding of the major events taking place in Saudi Arabia, Egypt, Jordan, and Israel. Plus, you'll hear how the recent announcement by President Trump, which recognized Jerusalem as Israel's capital, may be linked to both a future Israeli-Palestinian peace plan and the new city of NEOM.

This DVD will be available for purchase in the coming months, but for a limited time, we are making it available only to special friends of Zion's Hope. With your ministry donation of any amount, we will send it to you immediately*. Thank you, in advance, for standing with us, and for your support of the Lord's work at Zion's Hope during this all-important time of year. And please remember to request your ***Israel, Arabia, and the New City of NEOM*** DVD today!

WITH YOUR MINISTRY DONATION OF ANY AMOUNT, WE WILL SEND YOU THIS NEW DVD: ISRAEL, ARABIA, AND THE NEW CITY OF NEOM.

Thank You!

Marvin J. Rosenthal, President
